EDISON, HIS LIFE AND INVENTIONS

- 00 – Introduction – 00:05:38 01 – The Age of Electricity – 00:13:42 02 – Edison's Pedigree – 00:21:43
03 – Boyhood At Port Huron, Michigan – 00:45:52 04 – The Young Telegraph Operator – 00:30:02
05 – Arduous Years In The Central West – 00:51:48 06 – Work And Invention In Boston – 00:24:30
07 – The Stock Ticker – 00:44:09 08 – Automatic, Duplex, and Quadruplex Telegraphy – 00:57:24
09 – The Telephone, Motograph, and Microphone – 01:07:55 10 – The Phonograph – 00:47:12
11 – The Invention Of The Incandescent Lamp – 00:51:21 12 – Memories Of Menlo Park – 00:52:50
13 – A World Hunt For Filament Material – 00:29:57 14 – A Complete System of Lighting – 00:58:09
15 – Introduction Of The Edison Electric Light – 01:04:28 16 – The First Edison Central
Station – 00:56:06 17 – Other Early Stations — the Meter – 00:59:08 18 – The Electric Railway
– 00:48:31 19 – Magentic Ore Milling Work – 00:45:44 20 – Edison Portland Cement – 00:35:44
21 – Motion Pictures – 00:52:48 22 – The Development Of The Edison Storage
Battery – 00:39:39 23 – Miscellaneous Inventions – 00:36:57 24 – Edison's Method In
Inventing – 00:47:30 25 – The Laboratory At Orange And The Staff – 00:45:24
26 – Edison In Commerce And Manufacture – 00:44:02
27 – Value of Edison's Inventions to the World – 00:52:10 28 – The Black Flag – 01:10:14
29 – The Social Side Of Edison – 01:10:15 30 – Introduction to Appendix – 00:02:17
31 – Appendix I. The Stock Printer – 00:14:45 32 – Appendix II. The Quadruplex And
Phonoplex – 00:32:14 33 – Appendix III. Automatic Telegraphy – 00:18:51
34 – Appendix IV. Wireless Telegraphy – 00:30:24 35 – Appendix V. The
Electromotograph – 00:09:22 36 – Appendix VI. The Telephone – 00:10:00 37 – Appendix
VII. Edison's Tasimeter – 00:05:16 38 – Appendix VIII. The Edison Phonograph – 00:14:57
39 – Appendix IX. The Incandescent Lamp – 00:13:00 40 – Appendix X. Edison's
Dynamo Work – 00:32:04 41 – Appendix XI. The Edison Feeder System – 00:15:57
42 – Appendix XII. The Three Wire System – 00:10:24 43 – Appendix XIII. Edison's Electric
Railway – 00:17:46 44 – Appendix XIV. Train Telegraphy – 00:05:59 45 – Appendix XV.
Kinetograph And Projecting Kinetoscope – 00:08:38 46 – Appendix XVI. Edison's
Ore-Milling Inventions – 00:18:14 47 – Appendix XVII. The Long Cement Kiln – 00:09:43
48 – Appendix XVIII. Edison's New Storage Battery – 00:15:33 49 – Appendix XIX. Edison's Poured
Cement House – 00:09:26 50 – Appendix: List Of United States Patents, part 1 – 01:05:26
51 – Appendix: List Of United States Patents, part 2 – 00:47:56
52 – Appendix: Foreign Patents – 00:02:30
